PERMISSION TO PARTICIPATE IN 4-H HORSE ACTIVITIES DISCLOSURE AND RELEASE OF CLAIMS

I, _____,
have chosen to participate in the Ohio 4-H Horse Program and its related horse activities. I understand that this participation will involve contact with horses and may give rise to a risk of physical injury.

I am aware that:

- A. Horses have a tendency to behave in ways which may result in injury, death, or loss to riders, or other persons in the immediate vicinity;
- B. Horses may react in an unpredictable way to sounds, sudden movement, unfamiliar objects, persons, or other animals;
- C. Riding a horse may give rise to a risk of injury from hazards arising from the surface or subsurface of the ground in which these riding activities occur;
- D. While in the vicinity of a horse or while riding a horse, I may be involved in a collision with another horse, another animal, a person, or an object;
- E. Other participants in the program may fail to maintain control over a horse or fail to act within their abilities, thus causing harm to me or other participants; and
- F. Other participants in the program may act in a negligent manner, which could result in harm to me.

As parent or guardian I have discussed with my child the need to behave in a safe manner. I will make sure that my child wears appropriate clothing and footwear during horse activities. I further agree that my child shall be subject to the helmet policy which is reprinted for convenience on this page.

In consideration for the opportunity to participate in club, county, district and state 4-H horse activities and the use of services and facilities

made available through these 4-H horse activities, I do release and forever discharge for myself and my heirs, executors, administrators, and assigns, the Ohio 4-H Horse Program professional and volunteer leaders, agents, The Ohio State University and its Board of Trustees, its administrators, faculty and staff, from all claims, demands, and causes of action for personal injury or any other damage which may arise out of or be in any way related to my participation in this activity or program.

I understand that my child is not required to participate in any horse activity, but grant permission for him/her to do so, despite the possible risks. I recognize that by participating in these activities, as with any physical activity, my child may risk personal injury. I hereby attest and verify that I have been advised of the potential risks, that I have full knowledge of the risks involved in these activities, and that I assume any expense that may be incurred in the event of an accident, illness, or other incapacity, regardless of whether I have authorized such expenses. As a parent/guardian, I assume the same risk for myself, and other family members and friends present at these horse activities.
