

I am Lucky

I am lucky

St. Patrick's Day Craftivity

Includes the the shamrock template and leaves to cover each "lucky" statement.

Simply cut around the shamrock and each leaf. Write statements on the shamrock. Fold the leaves on the dotted line and glue in the center of the shamrock.

Each leaf creates a flap where students can express why they are lucky. When pinned to a wall, the leaves create a 3-D effect.

Print the template on cardstock for extra durability.
