

MARION COUNTY 4-H MEMBER
O.P.E.R. - ORIENTATION, PLANNING, EVALUATION,
RECOGNITION FORM
DUE LAST WORKING DAY OF AUGUST

The form on the reverse side serves as an orientation guide listing the experiences in which you are encouraged to participate, an evaluation guide listing the standards by which you will be evaluated as a 4-H member, and an accomplishment report which will ultimately be used to report your achievement level for the current year. Members should (with parent's and advisor's help) select an achievement goal and plan participation which will accomplish that goal.

The key phrase is participation achievement as compared to winner/loser (competitive) achievement. Through this 4-H evaluation system every person has the potential to be "winners" by striving to reach a goal they themselves have set.
