

Honor Club Yardstick Marion County 4-H Honor Club Planning Guide

Activities must have occurred between September 1 of the past year and **August 31** of the current year.

If your club is interested in applying for Honor Club Awards, this sheet must be completed and returned to OSU Extension Marion County office with your secretary and treasurer's books by the last working day of August.

CLUB NAME: _____

ADVISOR'S NAME: _____

USING THE 4-H CLUB YARDSTICK - HONOR CLUB PROGRAM

This yardstick was developed by the Marion County 4-H Advisory Council to help advisors in planning the club program and to give direction to it. Credit is given on the yardstick for activities which are done in areas such as community service, demonstrations, health and safety, training meetings, etc. The specific activities are left to the club to be determined in their planning. For instance, a club might decide to clean the church grounds as a club activity in community beautification.

Many clubs plan their activities to include each of the items listed on the Yardstick and at the end of the club year have earned an Honor Club rating or Honorable Mention rating. To help clubs evaluate the amount of activity they have participated in, a rating column is provided.

This Yardstick is in no way meant to discourage or degrade a 4-H club. For the most part, it is not practical or possible for a new club to reach such high standards the first year or two. However, the Yardstick does provide, at a quick glance, a good outline of local 4-H club meetings. As clubs progress, they are encouraged to make their club an Honor Club.

The award for obtaining Honor Club is a \$10 cash award, and your club's name added to the Honor Club Plaque on display in the Extension office.

The clubs designated as Honorable Mention receive a Certificate of Award.

TOTAL POSSIBLE POINTS - 237
HONOR CLUB - 190 POINTS
HONORABLE MENTION - 160 POINTS

Activity	Maximum Possible Points	Actual Points
