

Project Book Thank You

4-H project books are being provided to you courtesy of the listed sponsors. These sponsors are able to provide support to all 4-H members.

Your project books are a gift to you and a gift is usually followed by a thank you! A thank you from you personally and from your 4-H club would demonstrate your appreciation and help the sponsors feel good about the thousands of dollars they have donated to support you and other 4-H members.
